+ SUMMARY

I would describe myself as an honest and hard-working person. Besides that travelling, exploring and learning new things are my hobbies.

+ EDUCATION

Bachelor in Information Management

KIST College / Kathmandu / December, 2017 - Present

I choose my study in Information Management after the completion of intermediate. It is basically a programme which is the combination of management and information technology.

February, 2022 - February, 2022

+ PORTFOLIO

Jaagir

I have created a project called Jaagir for my summer project in fifth semester. It is an individual project which is required by the Tribhuvan University.

+ ACHIEVEMENTS

Data Analytics Certificate

I applied for the course called 'Big Data, Data Everywhere' in google. The course duration for 6 months. I have self studied the course which is about data analysis. I have done the course and able to get certificate in particular course.
